LET'S MAKE SOMETHING BEAUTIFUL

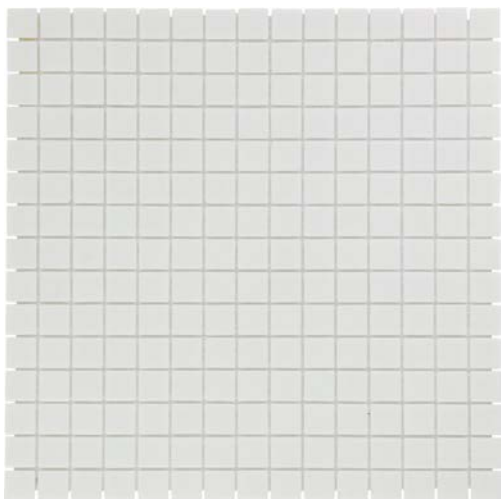

Amsterdam

Exclusive glass mosaics, divided into four beautiful series – the Amsterdam collection is a classic one in our range. The glass mosaics are available in over seventy colours, sometimes with a special detail. Mosaics from the Gold series for example have veins of real gold and the Pearl series offers a beautiful pearl finish. The Amsterdam mosaics are squared, with a size of 20x20x4 and a joint of only 1.5 millimetres. This small joint ensures a very tight and sleek look of the mosaics. The Amsterdam collection is often used for swimming pools and custom mixes.
