LET'S MAKE SOMETHING BEAUTIFUL

# Venice

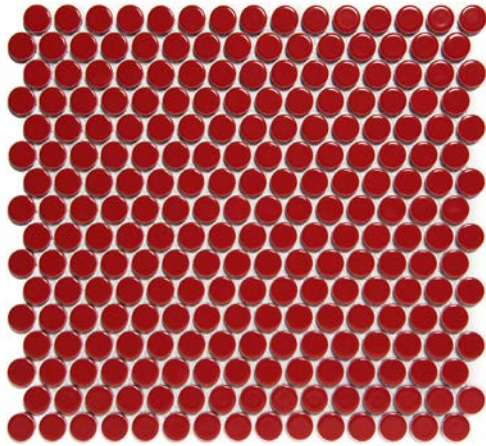

Pennyround mosaics in a variety of colours – the Venice collection is a playful and trendy alternative to tiles in more common shapes. These pennyround mosaics are available in some bright colours, like red and orange, but also in soft pastel shades, like light green and baby blue. The tiles are made of glazed porcelain, have a diameter of 19 millimetres and a thickness of no less than 5.5 millimetres. The glossy Venice mosaics are only suitable as wall tile, but the matt mosaics can also be applied on floors of barefooted areas, like bed- and bathrooms.
